www.mycatfishplace.com

Bob and Elaine Johnson brought **The Catfish Place** to Apopka in 1983. Since then, the restaurant, just like this city, has undergone many changes. New menu items have evolved over the years, but what hasn't changed is the Johnsons' commitment to southern food and hospitality. All-you-can-eat catfish and world-class hush puppies are a given, but they also have specials every week night to ease the cost of eating out in this economy. 'Nuff said.

Commitment is a big part of what I am and what I believe. How committed are you to winning? How committed are you to being a good friend? To being trust worthy? To being successful? How committed are you to being a good father, a good teammate, a good role model? There's that moment every morning when you look in the mirror: Are you committed, or are you not?
