

# Weather causes many to miss fishin' but it's been up and down for most

Hello Folks,

I hope you are havin' a good start to the New Year. There have been a lot of folks gettin' sick, includin' my family and others. I hope and pray you all are recoverin' and gettin' better.

The fishin' hasn't been too bad for the most part. The cold fronts and the windy days have kept a lot of folks off the water. Kyle at Bitter's Bait and Tackle reports that a few folks are fishin' for specks, but due to the weather, lots of folks have been stayin' home. We have a full moon comin' up on Monday, January 17, so if the weather holds, the fishin' should pick back up. The best lakes to fish for specks are still Lake Monroe and Lake Jesup. Over the years, these two lakes have been producin' the most

Jim Keck  
Goin' Fishin'

specks. The Harris Chain and the Kissimmee Chain have been good lakes for specks as well. Most of the specks are bein' caught on minners and a few specks are bein' caught on jigs tipped with a minner.

The bass fishin' is still hit or miss most days, dependin' on the weather. The bass are still bitin' in the Kissimmee Chain and the results prove it. Toho Marine Elite held its first tournament of the year this past weekend

out of Camp Mack. The winnin' team of Fred Chivington and Bruce Bozman won the tournament with five bass that weighed 26.68 pounds. There were five bass caught that weighed more than 8 pounds. The biggest bass of the tournament was caught by the team of John Wayne and John Barrow. Their big bass weighed 9.55 pounds. I would have to say the bass fishin' on the Kissimmee Chain is doin' pretty doggone good right now.

The Butler Chain is still a good chain to catch some bass. My neighbor John and his nephew Chet fished there last week and caught and released 22 bass. The biggest bass was almost 3 pounds. They caught their bass on a variety of baits, includin' jigs, lipless crank-baits, and plastic worms. The Harris Chain has

had some good bass fishin' as of late. The Major League Fishing held a tournament on the Harris Chain last week.

Abu Garcia College Fishing held its tournament on Friday, January 7. The college team of Seth Jenkins of South Carolina and T.J. McKenzie of South Carolina won the tournament with five bass that weighed 25 lbs. 14 oz. The duo represented Emmanuel College of Franklin Springs, Georgia. There were 189 teams that participated in this tournament. The tournament was the largest season-opening field in MLF College Fishing history.

I also wanted to give a shout out to the team of Vincent Maffei and Andrew Ready of Webber International College, in Babson Park. They had a five fish limit that weighed in at 25 lbs. and 13

oz. They just missed winning by one ounce. Sorry, guys, I know you guys worked hard for those fish and losing by one ounce is a hard pill to swallow. The good news is that you qualified for the Col-

lege Fishing National Championship in 2023.

Well, that's it for this week. See ya next week. Tip of the week: full moon. Save a few and good luck!

## Wekiva: Metro event up

Continued from page 2B

tempt available even when in transition. A lot of field goal attempts and even within the paint were taken, but not always without being challenged. The distance isn't always the most important factor in what makes for a high percentage field goal attempt. Looking for and passing the ball to the player who had a non-challenged field goal attempt was the focus."

The calendar year began with a 48-39 loss to the West Orange Warriors. A run of 10-2 by West Orange began the contest. From as many as 15 points, the Mustangs decreased the lead to four points midway through the fourth quarter. Turnovers ending the next two possessions brought the run and outcome in question to an end though. Four points were scored in transition after the turnovers.

The Ocoee Knights provided the opposition during the first round of the Metro Conference West Division tournament on Thursday, January 13 (past press time). Contests are being played through Mon-

day, January 17, and three games are guaranteed for each team.

Remaining on the schedule are contests against the Horizon Hawks, the Olympia Titans, the Dycett Eagles (Chicago), the Lake Minneola Hawks, the Colonial Grenadiers, the Apopka Blue Darters, the Leesburg Yellowjackets, the Hagerty Huskies, and the Pine Ridge Panthers.

"Despite the losses this week, we are moving in the right direction," Lubin said. "The first three losses (of the season) were decided during the first quarter. We still had the opportunity to win against West Orange and Evans. Nor was Malachi at his best yet. A few contests are needed for any athlete to reach the best possible play.

"Increasing the point total from 39 to at least 59 is moving in the right direction as well. Victories are few and far between almost when scoring 39 points. A really good defense still gives up 40 points, double digits every quarter. At least 59 points provides teams with an opportunity to win."

## Apopka boys basketball has something special

We're in the thick of basketball season and the Apopka Blue Darters boys basketball team may be turning this season into something special.

The Blue Darters claimed a monster victory this week at Lake Brantley when they outscored the Patriots 19-8 over the final 3-1/2 minutes of the game to win 61-55.

I know that Lake Brantley isn't the best team in the area, but they are a darn good team and it was definitely a hostile environment for the Blue Darters, although there was a decent-sized contingent of Apopka students and

PEERY'S  
EXTRA POINTS  
John Peery

fans at the game.

Frankly, I didn't think this version of the Apopka team would do all that much because there are so many

new pieces to the squad, but coach Scott Williams has meshed this team together and they look like they really like each other and look out for each other.

This group shares the ball and while everyone wants to be the star, this group really doesn't care who gets the job done for the team as long as the job gets done. Plus, there are several players who can step up and help win a game when it comes down to brass tacks.

I would urge those of you who wouldn't miss an Apopka High football game (and I think that's great) to pay attention to this Apop-

ka boys basketball team. Get to some games. We also have a report on the team's games that includes information about upcoming games as well. The full schedule is online at <https://t.maxpreps.com/3Gjpama>.

If you get to a game, you'll find a team that isn't perfect, but the players work together and give a great effort. At 14-2, Apopka has one of the better records in the area. The upcoming Metro Conference West Division tourney will be tough, but the teams that have to play Apopka will be in for a battle if they're able to walk away with a victory.

Tow company reserves the right to withdraw said vehicles from auction program and subcontract agreement 22D15-OP-06-58-02-H10 may conduct work in the 100-year floodplain or in wetland areas(s). The City of Apopka will be identifying and evaluating practicable alternatives to locating any actions that may occur in the 100-year floodplain or wetland areas and the potential impacts on the floodplain and/or wetland area(s) from the proposed action, as required by Executive Order 11988 and or 11990, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands. The City will conduct the following activities utilizing the CDBG assistance:

The City will repair or replace a minimum of eleven (11) low to moderate-income owner-occupied housing units, all of which will be located within the incorporated area of the City of Apopka, Florida, in Orange County. One or more of the housing units being addressed may be located in a floodplain and/or wetland. The floor elevation of any addressed housing unit located in a floodplain will be elevated above the minimum flood elevation for the property as part of the renovation or replacement of the housing unit. Up to eleven (11) benefitting households will also receive temporary relocation assistance for the period of time their home is under construction. After the eleven (11) housing units have been addressed, if funding remains available, the remaining Community Development Block Grant and match funding will be used to rehabilitate or replace additional housing units owned and occupied by low and moderate-income households.

**Activities:**

**Service Area #1 - City of Apopka Housing Rehab/Demolition/ Replacement Service Area:**

Activity	Activity Description	CDBG Cost	Local Match
14A - Housing Rehab/Demolition/Replacement	The activity proposed in Service Area #1 involves repairing or replacing a minimum of eleven (11) low to moderate-income owner-occupied housing units, all of which will be located within Incorporated City of Apopka.	\$615,500.00	\$ 50,000.00
08 - Temporary Relocation	The activity proposed in Service Area #1 involves up to eleven (11) benefitting households whose housing units are being rehabilitated or replaced will receive temporary relocation assistance for the period of time their home is under construction.	\$ 22,000.00	\$ 0.00
09 - Temporary Relocation		\$ 22,000.00	\$ 0.00

**Total CDBG Cost - \$750,000.00**

**Total Local Match - \$ 50,000.00**

**Total CDBG Cost and Local Match - \$800,000.00**

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and/or wetlands and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Commenters are encouraged to offer alternative sites outside of the floodplains and/or wetlands, alternative methods to serve the same project purpose, and methods to minimize and mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains or wetlands, can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains and or wetlands, it must inform those who may be put at greater or continued risk.

Written comments must be received by mail at 120 E. Main Street, Apopka, Florida 32703 or by phone at (407) 703-1819 on or before January 31, 2022. A full description of the project may also be reviewed from 8:00 AM to 5:00 PM, Monday through Friday at 120 E. Main Street, Apopka, Florida 32703. Additional information may be obtained by contacting Dr. Shakenya Harris-Jackson, Ed.D., Grants Administrator, by phone at (407) 703-1819. Comments may also be submitted by email at [jsackson@apopka.net](mailto:jsackson@apopka.net).
