PUBLIC HEARING NOTICE

CFX Project Development and Environment (PD&E) Study State Road 414 Expressway Extension CFX Project Number: 414-227

The Central Florida Expressway Authority is holding a Public Hearing for its Project Development and Environment (PD&E) study for the proposed SR 414 Expressway Extension. This study is assessing the feasibility of an elevated expressway extension of the tolled SR 414/John Land Apopka Expressway along SR 414/Maitland Boulevard from US 441/Orange Blossom Trail to SR 434/Forest City Road.

This study has considered alternatives for this 2.3-mile project, which would provide a direct connection between SR 414 and Interstate 4, while maintaining existing local travel lanes. The public hearing will provide meeting attendees time to view information about the study and ask questions before the formal presentation and public comment. All comments received or post-marked by April 11, 2022 will become part of the hearing record. A court reporter will be present at the in-person hearing to record a formal transcript.

The study documents will be available for public viewing from February 28, 2022 through April 12, 2022 at the following locations:
