McKinley swears in new deputy police chief

Quinn-Henry is first Black woman to serve in role

By Teresa Sargeant Reporter

Lovetta Quinn-Henry was sworn in as the new deputy police chief on Monday at Apopka City Hall, becoming the first Black woman to serve in that role.

As deputy police chief, she will be appointed chief and succeed retiring Chief Michael McKinley once he steps down Oct. 31.

As deputy police chief, Quinn-Henry will be second-in-command of a department that has 150 sworn officers. Her initial base salary is \$178,000 per year.

Quinn-Henry succeeds Jerome Miller as deputy police chief, who stepped down last December to serve as deputy chief of the Orange City Police Department. In total, Miller was with the Apopka Police Department for over 28 years.

City Council OKs changes meant to boost public comment

Revised policy passes by 4-1 vote

By Teresa Sargeant Reporter

The Apopka City Council passed 4-1 an amended resolution updating the city's public participation procedures so citizens could be given more opportunities to express their concerns during meetings.

Commissioner Nick Nesta voted against the amended resolution.

Radley Williams, parks and recreation director/in-

terim city administrator, presented several proposed amendments to Resolution 2025-19 at the May 7 meeting.

The following amendments were approved:

- 30 minutes will be set aside at the beginning of each council meeting as the public comment period.

- Citizens who fill out an intent-to-speak form and give it to the city clerk will be given three minutes to address the council, down from four minutes, to allow as many residents as possible to speak.

- If a large number of

citizens are at the meeting, the time per speaker could be reduced to two minutes per speaker.

- Groups of citizens who would like to speak on the same agenda item or concern may select a spokesperson to speak on their behalf. In this situation, an extra one minute will be given to the spokesperson's time per resident, up to six minutes total.

- Citizens electing to have a spokesperson must be present during the public comment period.

14 Apopka homes on display in Parade of Homes Orlando

Free, self-guided tours of over 70 homes across Central Florida

By Teresa Sargeant Reporter

Fourteen Apopka homes will be among more than 70 highlighted in the 72nd annual Parade of Homes, which the Greater Orlando Builders Association (GOBA) is hosting May 10 through May 18 across Central Florida.

For eight days, people can take free self-guided tours through the featured new and remodeled homes in Central Florida. Apartments will also be featured in this year's Parade of Homes, thanks to a partnership with the Apartment Association of Greater Orlando (AAGO). Organizers have made apartments available for touring for the last three years.

Parade of Homes Orlando is GOBA's only and largest public outreach event that highlights not only homes, apartments and their communities, but also the builders and construction industry that make them a reality.

"I think it [Parade of Homes] comes with a very unique angle," said Chasity Vega, CEO of GOBA.

Courtesy of Parade of Homes Orlando

This year's Parade of Homes Orlando showcase home is the Varen Transitional by Toll Brothers in the builder's new Saddlecrest at Windermere luxury home community.

"While some of the homes could potentially be open for viewing, for consideration of purchasing, sales, design [and] technology, this event is an opportunity to see some homes that typically are never open to the public, so custom homes, or some remodeling jobs out there that that you would never see."

Parade of Homes Orlando also helps current and future homeowners decide what type of homes they'd like to acquire or to get inspiration for remodeling their homes.

"We're really about showcasing and really trying

to help the consumer consider whether they want to purchase new, whether they want to go into a move-up, or whether they just want to remodel their home — or take a look at some different floor plans on a rental side that really service their family and their needs, and there's a lot of different opportunities out there," Vega said.

Builders that have entries in Apopka are Dream Finders Homes, Landsea Homes, M/I Homes, Matamy Homes, Park Square Homes, Richmond American Homes, Talbot Custom Homes and Toll Brothers.

Entries located in Apopka a range from low \$300,000 to \$1.19 million. The homes are in communities including Crossroads at Kelly Park, Oakview, Thompson Village, Wolf Lake Ranch, Meadowlark Landing, the Residences at Emerson Park, Errol Estates, Bronson Peak, and the Oaks at Kelly Park.

One Apopka entry is the Chateau Serenity by Talbot Custom Homes. Located at 1309 Errol Green Court, the \$1.19 million Errol Estates home has five beds, four full baths and two half-baths.

Apopka head coach uses award donation to build wall of fame

Apopka Rose Garden will honor softball players

By Marshall Tempest Reporter

Apopka High School's head softball coach, Mike MacWithey, designated the Apopka softball club as the recipient of a service award's \$250 charitable donation.

MacWithey was awarded the Foliage Sertoma Club of Apopka's 2025 Service to Mankind Award on April 29, and as part of the award the club donates to a cause of the recipient's choosing.

MacWithey said the donation would be used to construct a wall of fame, called the Apopka High School Rose Garden. The name reflects MacWithey's and the program's mission and mentality — that all of his players are budding roses that need to be nurtured so they can bloom.

"The plan is to create a wall of fame on the north wall of the home dugout that faces the bleachers," MacWithey said. "In keeping with the 'rose' message and mission statement, our plan is to create an AHS Softball Rose Garden —

not with actual rose plants but with the names of athletes from the program who have played at the next level. We will list their name, year of graduation and college."

MacWithey said he hopes the garden will be finished before the start of the 2026 spring season. He said the rose concept for the program began as a tribute to his mother, Carolyn MacWithey. MacWithey's

Apopka Area Chamber of Commerce planning inaugural nonprofit expo

May 14 event aims to raise awareness of area organizations

By Sarah Merly Correspondent

The Apopka Area Chamber of Commerce will highlight the community's nonprofits at its first-ever nonprofit expo next week.

"We have a lot of nonprofits in Apopka, and no one's ever heard of most of them," said Chamber President and CEO Nick Grounds.

To solve that issue, the Apopka Community Center will host the Non-Profit

Expo from 9 a. m. to noon on May 14. Admission is free and open to the public.

Soon after beginning his role in the Chamber in July 2024, Grounds said he has worked to create new events to draw the community closer together.

Looking at the several hundred registered nonprofits in the Apopka community, Grounds said he realized the Chamber needed to raise the organizations' public profiles, particularly since nonprofits depend on donated dollars.

"I want people to understand what these nonprofits do and how they help the community," Grounds said. "My job is to basically boost

the awareness of businesses in the Apopka area."

If those businesses succeed, Grounds said then the Chamber would be able to continue planning more events for the public.

So far, around 10 nonprofits have registered to serve as vendors for the expo, with most of them serving in the health and education fields. Grounds said he hopes to raise that number to 20 or 25, similar to April's business expo.

"For the business expo, it started off very slow, but eventually, we had 30 tables and around 50 people," Grounds said. "We want to have a good cross-section of nonprofits at the expo."

The Chamber of Commerce has based the non-profit expo on April's business expo.

Report highlights Apopka's strong financial position

Mauldin & Jenkins CPAs & Advisors just completed the City's 2024 Annual Comprehensive Financial Report, which ended Sept. 30, 2024.

For the 41st consecutive year in a row, we received the prestigious Certificate of Achievement for Excellence in Financial Reporting award.

Later this year, the city will put out to bid for the 2025 audit and will solicit all qualified auditors to bid for our work in a very transparent RFQ process.

Again, Mauldin found no discrepancies that would warrant a findings, which would be the most critical issue needing immediate attention.

I would like to share two quotes from the audit to highlight Mauldin's independence. The first one on page one of the auditor's report states, "We are required to be independent of the city and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit."

The second quote on Page 18 of the report states, "Management [Mauldin] believes an operating reserve equal to three months operating expenses and transfers out in the General Fund should be main-

Apopka Mayor

Bryan Nelson

tained. At September 30, 2024, the operating reserve calculates to \$19,668, 717 and the unassigned fund balance exceeds this reserve amount by \$22,382,882."

We are in a very strong financial position, which should help weather any sudden financial hardships.

Our long-term debt is \$14,421,263, which includes principal for notes, financed purchases, leases, SBITAs and bonds outstanding.

The new accounting rules require the two long-term leases for police and fire equipment now be included in our long-term debt.

We also have a \$48,439,797 State of Florida revolving debt loan for the new Wastewater Treatment Plant on Cleveland Street.

We appreciate the hard work of Mauldin and Jenkins along with the finance team here in Apopka getting the Annual Comprehensive Financial Report out this early in the year.

Our dedicated staff spent long hours making sure that Mauldin had all the numbers to give the residents of the city a comprehensive look into the financial picture of Apopka.

Letter to the editor

John 3:16 states "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life."and Psalm 23:6 states, "Surely goodness and mercy shall follow me all the days of my life." Accepting Christ as my savior and then experiencing His goodness and mercy, makes me realize that God's goodness and mercy are present in all aspects of our life. And for that, I am grateful. I am also grateful for being recognized at the Mayor's Prayer Breakfast with the Pillar Award, especially for what that recognition means in this community, but also because long-time publisher John Ricketson and Mayor John Land were given the first two awards in 2006. For me to be so recognized in 2025 shows how abundant God's mercy is. Everyone working with me has heard me say "mercy" several times a day. His merciful help was and continues to be necessary. God is good and so is this Apopka community of faithful and gracious residents.

Making Orange County a great place to live takes engagement and more volunteers

This past week, I was invited by the Orlando Economic Partnership to attend their regional conference. A speaker from the Gallup organization spoke on the importance of interdependence in organizations. Secondly, an economic development speaker shared best practices and announced that Orlando region ranked #11 in the United States.

The Gallup speaker stressed using the Clifton Strength Finder tool to learn and develop employee and volunteer personal strengths. From there we must grow interdependent. The grim statistic is that 70% of employees are not engaged in their work. It is likely higher for residents not engaging in their community.

I have found the engagement part vital in my Neighborhood Leaders Program. Those members who develop personal relationships with one another stick with the group. We learn to love each other as we routinely attend monthly meetings and clean-ups.

The economic develop-

County Commissioner
District 2

Christine Moore

ment expert said that tourism districts equal business districts which also equal a great place to live. Hmm! He said we must engage in destination development.

We must look at our communities from the perspective of 20-year olds. Where do they want to live, work, recreate and raise a family? Developing places matters to this group.

It matters to me, too. This is why I love working on trails, "third places" and making the district clean and bright.

Many of you know I have been walking or riding my bike along the West Orange Trail in anticipation of the May 31 Grand Reopening Bridge Event

at 9:30 a. m. A little shameless plug, I hope all of you attend. We will participate in a drone shot up on the bridge, and a fun run, walk and bike event.

Last weekend, we painted the "Apopka Pass" to make that section of the West Orange Trail clean and inviting. I'm partnering with Luis Rivera of the Village Barber on an art project and encouraging Melanie Jankun from the Creative Hub with another.

As great as these two individuals are and all the work done with people groups and county employees, it isn't enough. We need more of you. The trail is the key to our revitalization.

Can you walk or ride the trail regularly? Are you able to pick up trash? Can you volunteer on a project? Are you available to attend the Bridge Grand Reopening?

I hope you feel like you matter to me and the health of the city, because you do. It is through our interdependent volunteerism that we will make District 2 thrive.

Celebrate all students this graduation season

Orange County School Board, District 7

As we enter the final week of school for our seniors, I want to remind our community to celebrate every senior graduating.

For some kids, the road to get to graduation has been one filled with lots of failures, doubts, average or below average grades, and questions if they would ever make it to the end. It's been a difficult road filled with lots of speed bumps along the way.

These kids have had to learn the lessons of struggle early in their young lives. They've had to learn that obstacles will find their way in your path, and you have to work hard to find ways to get through them. These are hard lessons to learn that many people don't learn until later in life.

I also see a lot of seniors who don't have support at home for whatever reason. It's hard to imagine getting through the challenges of high school without that support. But so many of our kids in our community do that every day.

Orange County School Board, District 7

Melissa Byrd

They get themselves up and out the door in the morning alone. They feed themselves dinner every night. They make sure they are caught up on classwork on their own. They find work to pay for their own expenses. They have to develop their own motivation to succeed, separate from the expectations of others.

Let us remember to celebrate these children just as much as the ones traveling to prestigious universities and crossing the stage with numerous cords and ribbons.

There are also seniors who have wonderful parent support but have faced other challenges that made high school dif-

ficult. We must acknowledge the strength, grit and determination that it took these children to wake up every day and face the challenges that lay ahead of them when things did not always come easily for them.

For some children who have mental health challenges, getting up and going to school is a reason to celebrate.

For the child who has to work every day after school to help pay family bills, finishing homework is a reason to celebrate.

For the child with a serious health issue who misses a lot of school for medical procedures, keeping up with assignments is a reason to celebrate.

Remember that all our graduates had different roads to travel to get to that graduation stage. Some were bumpy and some were smooth, but they all deserve to be celebrated.

To ALL the Apopka and Wekiva High School Class of 2025 graduates — Congratulations on whatever road you traveled to get here. You did it and should be proud!

Annual letter carrier food drive to collect donations Saturday

Donations are earmarked for local food banks

Staff Reports

The National Association of Letter Carriers annual 'Stamp Out Hunger' Food Drive will collect donations Saturday.

Letter carriers are in the

communities they serve every day and often come face to face with a sad reality for far too many, hunger, according to a news released from U.S. Postal Service in Florida.

Each year on the second Saturday in May, letter carriers across the country collect non-perishable food donations from our customers. These donations go directly

to local food pantries to provide food to people who need our help.

2025 marks the 33rd year of the drive, which has collected well over 1.9 billion pounds of food, thanks to a Postal Service universal delivery network that spans the entire nation, including Puerto Rico, Guam and the U.S. Virgin Islands.

The need is great, but

postal customers are encouraged to help, according to the USPS.

Currently, more than 44 million Americans are unsure where their next meal will come from. More than 14 million are children who feel hunger's impact on their overall health and ability to perform in school. Nearly 5.5 million seniors over age 60 are food insecure, with

many who live on fixed incomes often too embarrassed to ask for help.

Food banks and pantries often receive most of their donations during the winter holiday seasons. By springtime, many pantries are depleted, entering the summer low on supplies at a time when many school breakfast and lunch programs are not available to children in

need. The letter carrier drive is timed to help stock up the dwindling supplies, according to the USPS.

Participating in this year's Letter Carriers' Stamp Out Hunger® Food Drive is simple. Just leave non-perishable food donations in a bag by your mailbox Saturday, and your letter carrier will do the rest.

Public Comment

Continued from page 1A

The spokesperson must be indicated on the intent-to-speak form and given to the city clerk.

Additional approved amendments included: the mayor will read decorum announcements at the beginning of each meeting; public comment will be allowed in workshops at the council's discretion; and budget workshops will have more flexible public comment rules.

Nesta argued that the public should be given op-

portunities to speak at city budget workshops after each department presents its budget, instead of allowing all the departments make their case yet each resident is given only four minutes to respond based on the overload of information.

"I want to hear, okay, parks and rec [department] comes up and presents," Nesta said. "I want to hear from the public pros and cons. What are you guys thinking? What are you feeling? Are we

on point? Are we not? Then the next department, next department, and we need instant feedback to be able to make that decision. Whereas if we go through two, three, four hours of workshop, the residents only have four minutes to respond to all that information. It's not fair, it's not equitable for public participation in that."

Vice-Mayor Diane Velazquez offered the suggestion that the chair or mayor should read the decorum

announcement at the beginning of every meeting, saying it would improve consistency. She said she had emailed Williams about this matter.

Velazquez also recommended updating the resolution to officially allow public comment at workshops. The previous resolution hadn't allowed public comment during workshops; however, the council's practice had been to allow it.

During public comment

for the proposed resolution amendments, resident Rod Olsen said four minutes is not enough time for citizens to address the City Council.

"Do you know how hard it is to get what you'd like to say down to four minutes?" Olsen asked. "Anything less than that is unacceptable. The aspect of the one part I did like about it is, if you speak for a group, you can go up to six minutes. So I think that might save some time along the way as well. But

... to the people that present four minutes is a tight time schedule."

The discussion about the council's management of public comment began last summer, when the council decided to move public comment to the end of each meeting but not livestream it on the city's YouTube channel.

Since that time, Nesta has livestreamed the public comment on his Facebook page.

Parade Of Homes

Continued from page 1A

GOBA represents over 800 members and 40,000 employees in the housing and building industry. The association has served the construction industry in Orange, Seminole and Osceola counties for 72 years.

"The intention is to foster an environment within the association and within our neighborhoods to create opportunities for building relationships, businesses, and communities while balancing the economic, social, and environmental needs of our members and communities served," a GOBA press release states.

Showcase home

Every year, Parade of Homes Orlando features a showcase home. This year's showcase home is the Varen Transitional by Toll Brothers in the builder's new Saddlecrest at Windermere luxury home community. Spanning over 5,000 square feet, the Varen Transitional has dou-

ble of several amenities — two kitchen islands, two upstairs lofts and two large staircases. The house has five bedrooms, five full baths, and one half bath.

"The home is just completed recently," Vega said. "It is beautiful, breathtaking, stunning, by all means. And while some people may say, like, 'I'll never be able to afford a home like that,' you know, obviously it's \$5.5 million. The floor plan starts at \$2.9 million, really an opportunity to go in to kind of see the new color trends, the designs. ... It's flawless. So really, just gives you an idea of some of the things that are out there, whether it's even color schemes or some, color patterns, or new technology, new lighting, new features."

A showcase home is selected years in advance, Vega said. Toll Brothers was selected years ago, but the builder had to figure out which home would be the showcase home

and where it would be located, she added.

Judging

Parade of Homes Orlando has a judging aspect too. Industry professionals from across Florida and the nation will be the Parade of Homes Orlando judges. The Parade of Homes brand is a national trademark under the National Association of Home Builders.

Part of the reason Parade of Homes has been successful is that it gives out merit awards, which the builders can use to promote their products and companies.

"We're awarding merit awards on their craftsmanship of each of the homes, and they use those trophies in that award as the turning point for their marketing piece," Vega said. "They're going to share the story that their craftsmanship their home is a winner of the Parade of Homes Orlando, really identifying and making them stand out from

\$472M in medical debt paid off for Orange County residents

Nonprofit sending residents letter of confirmation for debt relief

Staff Reports

Some \$472 million in medical debt has been wiped out for at least 310,000 Orange County residents thanks to Orange County's partner-

ship with Undue Medical Debt, a nationally recognized nonprofit. The medical debt relief is the result of Orange County Board of County Commissioners' approval of a \$4.5 million contract with Undue Medical Debt in August 2024. The county's allocation of the American Rescue Plan Act of 2021 is financing the contract. "This program is the lat-

est countywide effort to improve the quality of life for our residents," Orange County Mayor Jerry L. Demings said in a May 5 press release. "This collaboration with Undue Medical Debt has allowed our Board to efficiently maximize the impact of public funds, helping as many individuals as possible to become financially stable." Beginning this week, an official letter from Undue

Medical Debt confirming the medical debt relief will be mailed to residents. "For over a decade, we have been at the forefront of relieving the burden of medical debt for everyday families, many of whom are uninsured or underinsured," Allison Sesso, president and CEO of Undue Medical Debt, said in the press release. "We look forward to continuing our mission in partnership with

Orange County." Residents do not have to take any action throughout the medical debt relief process, nor does the program take applications. Through partnerships with medical facilities, collectors and healthcare providers, a qualifying debt is selected, then Undue Medical Debt purchases it. One of two criteria must be met in order for a resi-

dent's medical debt to be paid off: living in a household with income at or under 400% of the federal poverty guidelines, or having medical debt that equals or goes past 5% of the entire household income. After a debt is purchased, it's fully paid off. Go to OCFL.net/medicaldebt for more information about the county/Undue Medical Debt partnership and for frequently asked questions.

AdventHealth Central Florida hospitals receive 'A' grade for patient safety

Leapfrog Group gave same grade to hospitals in 2024

Staff Reports

The Leapfrog Group granted every one of AdventHealth's Central Florida hospitals — including AdventHealth Apopka — an "A" Hospital Safety Grade, AdventHealth announced on Thursday, May 1. Besides Apopka, AdventHealth hospitals in Altamonte Springs, Apopka, Celebration, East Orlando, Kissimmee, Orlando, Winter Garden and Winter Park all received "A" grades.

The Leapfrog Group also gave all of these sites an "A" in November 2024, the last time the grades were announced. The organization issues new grades every fall and spring. The Leapfrog Group is an independent national nonprofit watchdog focused on patient safety. The Leapfrog Hospital Safety Grade is the only hospital grading system that rates strictly on avoidable medical mistakes, infections and injuries that claim the lives of over 500 patients daily in the nation. The group bestows an "A," "B," "C," "D" or "F" to medical facilities all over the country. "Achieving an 'A' Hos-

pital Safety Grade reflects enormous dedication to patient safety," Leah Binder, president and CEO of The Leapfrog Group, said in a statement. "I extend my congratulations to AdventHealth, its leadership, clinicians, staff and volunteers for creating a culture where patients come first." "Our tenacious pursuit of preeminence extends to all areas of clinical care, and none is more important than our commitment to safety," Dr. Victor Herrera, chief clinical officer of AdventHealth's Central Florida Division, said in a statement. "This Leapfrog recognition is a testament to the clinical expertise

Event celebrates Lake Apopka Wildlife Drive's 10th anniversary

Birding park to be built at drive's Lust Road entrance

Staff Reports

St. Johns River Water Management District (SJR-WMD) and Orange Audubon Society celebrated Lake Apopka Wildlife Drive's 10th anniversary of its opening with a May 4 event at the drive. The event took place during the drive's regular hours. Families took photos, toured around the lake, enjoyed the wildlife, and met SJRWMD and Orange Audubon Society representatives and volunteers. The Lake Apopka Wildlife Drive is a one-way, 11-mile drive that curves through the eastern section of Lake Apopka North Shore starting

at Lust Road in Apopka and ending on Jones Avenue in Orange County. Depending on usage and the number of stops visitors make on the roadway, the drive could last one to three hours.

The Lake Apopka Wildlife Drive, which first opened on May 1, 2015, was a by-product of the Lake Apopka and North Shore restoration efforts, which helped bring in more wildlife, including over 300 species of birds.

Visitors to the Lake Apopka Wildlife Drive pose with a custom photo frame celebrating the drive's 10th anniversary.

In conjunction with the city of Apopka, the Orange Audubon Society is developing a 70-acre nature and birding park at the Wildlife Drive's Lust Road entrance. Little Diversified Architectural Consulting has de-

signed the birding park's \$1.5 million, 2,400 square-foot energy-efficient education center, which will be widened to 3,400 square feet. The Orange Audubon Society, a long-time partner of the SJRWMD, anticipates con-

struction will begin this year. The Wildlife Drive is open to automotive traffic between 7 a. m. and 3 p. m. on Fridays, Saturdays, Sundays and federal holidays. All vehicles must leave the drive by 5 p. m.

retirement, McKinley said he interviewed numerous law enforcement leaders from across Central Florida, eventually whittling the candidate pool down to three people. Mayor Bryan Nelson reviewed them and interviewed each one. Ultimately, Nelson told McKinley that the choice was up to McKinley, according to the police chief.

McKinley said when his staff interviewed Quinn-Henry, her responses to questions, which ranged from technology to the department's direction, sounded like answers McKinley would have given.

"We're very excited to enter this chapter of the Apopka Police Department and prepare ourselves for the next chapter of the Apopka Police Department, when she takes over and we try to straighten out all the messes I made," McKinley said. "I'm confident that she'll be able to do that, take the stages here in the next direction."

Quinn-Henry acknowledged McKinley's search for deputy chief and is grateful

Courtesy of City of Apopka

Pictured after the ceremony (l to r) are Nick Nesta, city commissioner; Nadia Anderson, city commissioner; Diane Velazquez, vice-mayor; John Henry, Lovetta Quinn-Henry's husband; Lovetta Quinn-Henry, deputy police chief; Michael McKinley, police chief; Alexander H. Smith, city commissioner; and Bryan Nelson, mayor.

that she was selected, as well as being thankful to her family, friends, old coworkers and new coworkers. Calling the Apopka Police Department a "well-oiled machine," she said she's eager to work with her new colleagues.

"I look forward to working with each and every one of the men and women of the Apopka Police Department that would move us into the

next phase of our law enforcement," Quinn-Henry said. "You serve this community well, and I know that together, we will continue to meet their expectations."

Nelson thanked the Orlando Police Department and his "good friend" Orlando Mayor Buddy Dyer for allowing Quinn-Henry to work with Apopka in the last month as part of the transition.

Nelson also expressed confidence that Quinn-Henry will perform her new job well.

"We are a smaller community, and we take our law enforcement seriously, and we want to protect and honor those that serve," Nelson said. "[It's a] pretty high bar, but I'm sure that you're [Quinn-Henry] going to reach it and exceed that goal, and so we're just so excited to have you on board and see where the next 10 years takes us."

Vice-Mayor Diane Velazquez, a retired NYPD officer, congratulated Quinn-Henry and credited McKinley with growing the police department.

"We all know, and I certainly understand law enforcement is always changing, and what I stand by is that we don't vary from the law," she said. "We follow the law, and I believe that that's what our police department has done consistently."

Commissioner Nick Nesta acknowledged the importance of Quinn-Henry as an Apopka resident and therefore her pres-

ence in the community. Nesta explained that being a resident was important to McKinley too, since he'd introduced himself as such whenever he attends community events.

Calling the swear-in "heartfelt," Commissioner Nadia Anderson recalled when concerned citizens reached out to her after Miller retired from the job. Seeing how well-qualified Quinn-Henry is, she commended McKinley for the vetting process.

"We are proud to have you [Quinn-Henry] here," Anderson said. "You have our support, you have our prayers, and we understand the challenges that are ahead. We are here to support you. We are Apopka. We are a family and just welcome to the family."

Commissioner Alexander H. Smith also echoed other dignitaries in their support of the new deputy police chief.

"It's a history making moment, and we're just grateful to be a part of it, and we're here to support you," Smith said.

Quinn-Henry, an Apopka resident and Apopka High School alumna, previously served 25 years with the Orlando Police Department. Her most recent role with the Orlando police was deputy police chief.

As team commander for the critical incident stress management team, Quinn-Henry helmed leadership during noted crises such as city-wide protests and the Pulse Nightclub shooting.

Among her achievements in education, Quinn-Henry holds a bachelor's degree in criminal justice, a master's degree in public administration and a doctor of philosophy degree.

The final decision was to appoint Quinn-Henry as deputy chief and to succeed McKinley as chief effective Nov. 1.

McKinley became Apopka police chief in August 2016. Prior to that, he served on the Orange County Sheriff's Office for over 31 years. He is a lifelong Orange County resident who now lives in Apopka with his family.

mother worked the softball team's concession stand for many years and was a former president of the Apopka Garden Club.

"We are helping kids that come in as budding roses and try to prepare them to blossom," MacWithey said. "When they blossom and they go on to play at the next level, we're putting their rose on the wall."

When the Sertoma Club of Apopka granted him the \$250 check, the club asked its members if they would be interested in matching it.

Without question, members' hands flew up at the chance, and MacWithey was gifted with another \$250 to bring his total to \$500.

MacWithey said he wants to recognize the paths of Apopka softball "roses" to show present and future players what is possible. He said the team will love the rose garden and hopes it will give them that extra bit of confidence in themselves and their journey on and off the field.

MacWithey was recognized for the time and effort he has put into the lives of

Apopka youth on the field as a coach and in the classroom as an engineering teacher at the high school. He was chosen as the winner of Sertoma's Service to Mankind over eight other candidates.

MacWithey has been a member of the Apopka community for a long time and has worked at Apopka High School since 1983, when he started as an assistant coach of the Apopka softball team. In 1995, he became the head coach, not long after he became an engineering teacher at the high school.

Since becoming the head coach of the Apopka softball team, MacWithey has amassed an 807-327 record as of May 1. He has also mentored many softball players and engineering students to find a path to higher education.

MacWithey asked the community to get in touch with him if they know of any former Apopka High School softball players who went on to play at the collegiate level so those players can be added to the garden.

Blue Darters state run blocked in first round

Boys volleyball team will lose eight seniors this season

By Marshall Tempest
Reporter

This week, the Apopka boys volleyball team's Cinderella season ended with a loss to the Timber Creek Wolves in the first round of the state tournament.

The Blue Darters lost to the Wolves at home in straight sets after willing their way into the tournament with a district championship.

Head coach Brian Mater said that after the loss,

the emotions were extremely volatile for the coaching staff and the team.

"You know, we have eight seniors on this team, and for many of them, this was their last game on the court," Mater said. "Many of them are not going to play in another volleyball game. They're pretty much done."

Mater said the team knew it wouldn't be easy facing the third-ranked team in the state and the 13th-ranked team nationally. But he said Apopka had more room to win the match than the final score shows.

The Blue Darters lost in three straight sets, 25-

18, 25-18, and 25-22. The scores don't reflect how closely the two teams battled. Apopka showed moments where the team outshone the Wolves, but ultimately, they beat themselves with a series of errors and mistakes.

Serving errors, out-of-bounds, and an inconsistent sense of urgency when going for the ball cost Apopka the game.

"We knew that we needed to limit our errors. Once again, we had top players who were netting the balls," Mater said. "At one time, I counted 14 errors. Our er-

Lake Brantley snatches district title from Apopka with walk-off

Two teams could meet again in state tournament

By Marshall Tempest
Reporter

The Apopka softball team suffered a heartbreaking loss last week, falling 9-8 to the Lake Brantley Patriots in the 7A District 3 Championship. In the bottom of the seventh, the Patriots took home the win with a walk-off two-run homer to steal the win from the Blue Darters.

"We were crushed, heartbroken," Head coach Mike MacWithey said. "We had that game. We're better than them. We just didn't put it to bed. We didn't finish. You gotta finish. It's not how you start. It's how you finish. And we did not finish. You know, all we can do is own it."

Apopka and Lake Brantley fans, parents, and players all knew this would be a battle until the final at-bat, but no one could have foreseen the end of this game — a tale of David vs. Goliath with a disheartening twist. The Blue Darters came into the game as underdogs but were anything but unprepared for their matchup.

Championship, and the team is slated to face the fourseed Atlantic Coast Thursday evening in Jacksonville.

The Blue Darters will be in the Region One bracket in

the state championship tournament. Joining them in their region will be Lake Brantley as the one-seed, Hagerty as the two, Spruce Creek (Port Orange) as the three, Atlantic

Coast (Jacksonville) as the four, Creekside (St. Johns) as the seventh, and finally Seminole (Sanford) as the eighth seed.

In the first round, Apopka will face the four-seed, the Atlantic Coast Stingrays. As the higher-seeded team, the Stingrays get home-field advantage.

The Stingrays came into the state tournament with a 22-5 record, ranked 54th in the state, and were on a four-game winning streak. The Blue Darters went into the tournament with a 21-5 record, ranked 65th in the state, and are coming off a district title game loss.

On paper, Apopka wins this matchup as the team is by far the stronger offense. The Blue Darters have scored 291

Flag football team falls short in regional play

Coach looks forward to bouncing back next year

The Apopka flag football team fell last week in the Regional Championship round of the 4A 2025 FHSAA Flag Football State Championship Tournament.

The Blue Darters lost 19-6 to the Spruce Creek Hawks, snapping a 10-game winning streak.

The game was slow and atypical of the Blue Darters' usual offensive onslaught. The team only scored one touchdown and couldn't convert the extra point.

Blue Darters head coach Tanisha Wilson said she believes the team just wasn't themselves and was affected by the moment.

"I honestly think it was the nerves of the game and that big moment. This group of girls has never competed in championship games," Wilson said.

Wilson said her team lacked energy in the loss. After going up 6-0, the Spruce Creek Hawks scored a touchdown of their own. It was a trick play that caught the Apopka secondary off guard and gave up a free receiver over the top for a long ball touchdown.

"Like in the first quarter, we were doing OK," Wilson said. "We started out slow, but once the other team scored, I feel like our energy shifted. And it was like in that moment of, 'Oh, wait a minute, we may lose the game,' when we never recovered."

The Hawks scored another touchdown to extend their lead to 13-6 before halftime. Wilson said that after that play, the girls were down and seemingly defeated, and they still had an entire half to go.

"I didn't have anyone who was like, 'Hey! We're not down, we're not losing,'" Wilson said. "We didn't have that general who would flip the energy. We didn't have that on that field that night. And when you don't have at least one player that can get in there and rah, rah, and pick everybody up, they kind of stay flat."

Wilson said a coach can only do so much to instill confidence in a player. After that, it's up to the players and their teammates to be there for each other and hold each other accountable. Wilson said that she couldn't even recognize her own team because they just seemed like they weren't in the game mentally.

Keck: Grateful for readers' support and ready to fish

GOIN' FISHIN'

Jim Keck
Correspondent

Hello Folks,
I want to thank all the folks for your thoughts and prayers durin' my absence. I ended up havin' two back surgeries about one week apart. I'm grateful for the your support durin' this time.
While I was gone the fishin' has been doin' pret-

ty good. I'm gettin' plenty of reports from Lake Kissimmee, about all the bluegills and shellcrackers bein' caught around the pads. Most of the panfish are bein' caught on grass-shrimp, and red worms.
The bass fishin' has been pretty good on Lake Kissimmee too. Most of the bass are bein' caught chatter-baits, plastic worms, and Senko type baits. Just FYI, the FWC is goin' to start sprayin' for hydrilla in West Lake. They will be sprayin' portions of West Lake due to the invasive plants emergence which impacts the native plant communities.

Weather permitting, all the sprayin' will be done this week as I write this article, May 5th through May 9th. You can try fishin' the other lakes on the chain and I'm sure the fishin' will be just fine.
Congrats to John Stahl and Casey Gonzalez on their win on the Kissimmee Chain. The X-treme Bass Series held their monthly tournament last weekend and John and Casey brought to the scales five bass that weighed in at 27.22 pounds.
The Big Bass of the tournament was caught by the team of Chris Maxwell and

Michael Porter. Their big bass hit the scales at 7.61 lbs. There were 26 boats that fished that day and it sounds like everyone had a great time, and some nice stringers of bass were caught as well.
The X-treme Bass Series held a tournament on John's Lake last weekend and it took 19.46 lbs. to win it. Congrats to the team of Steven Sanders and Scott McDonald for their winnin' stringer. The big bass of the tournament was caught by the team of David Smith and Dale Wolfskill. Their big bass hit the scales at 8.67 pounds.
There were 12 boats in the

field and all 12 teams caught a limit of five bass per boat.
The Butler Chain is still doin' good for bass fishin'. Folks are catchin' bass just about every time they go fishin'. You won't catch many biguns, but you will have a blast catch keeper-size bass.
Most of the bass are bein' caught on plastic worms, swim-jigs, and slow sinkin' Senko type baits.
My buddy Rich Niles went fishin' over the weekend. He decided he would go fish Lake Monroe, and he reports that the fishin' was pretty good. He caught a couple of bass over three pounds. Rich

also reported that the water is very low, and there were a few areas he tried to fish but his boat was touchin' the bottom of the lake.
So don't be runnin' your boat too close to the shoreline; you just might get stuck and not get your boat off the bottom.
Well it's great to be back in the saddle. I hope you have a great week and, hopefully, you will get a chance to do some fishin' over the weekend. See ya next week.
Tip of the week: Go Fishin'!
SAVE A FEW AND GOOD LUCK!

two scoreless innings, but Apopka broke through in the third. The Blue Darters stacked three runs in the inning, surprising the nationally ranked Patriots. It was no surprise to anyone who's been paying attention this season that it was Taylor Smith who blasted a three-run homer to left field to open up the game.
Lake Brantley fought back in the bottom of the inning, bringing in one run due to an Apopka fielding error.
In the fourth, Apopka added an insurance run from Riley Ford, who scampered home on a passed ball to extend the Blue Darter lead to 4-1.
This is where Apopka opened the game. The Blue Darter batters were beginning to key in on the timing of Lake Brantley's starting pitcher, and once they did, it was game over — or so they thought.
Apopka brought in four runs in the top of the fifth inning. Ford and Ava Gonzalez

hit RBI singles, and Braylyn Pirillo added a sacrifice fly. A Patriot fielding error allowed the eighth run to score as the Blue Darters took a commanding 8-1 lead.
The Blue Darters were on top of the world, as were the Apopka fans. But the next three innings would prove to be a nightmare for the Blue Darters.
It started with the Patriots scoring two unearned runs in the bottom of the fifth to cut into the Apopka lead, 8-3. Sydney Bartkin started on the mound for Apopka and had a great night, but when she gave up her second run of the game, head coach Mike MacWithey took her out and sent in Mia Aeschilman in relief.
Apopka couldn't get anything going at the plate for the rest of the game as the Patriots brought in reliever Belle Rosales, who fired two shut-out innings.
Brantley opened the bottom of the sixth with back-to-back solo home runs. The

Patriots were trailing just 8-5 as Apopka brought in Millspaugh to relieve Aeschilman. Millspaugh struck out the next three batters to end the inning and stop the bleeding.
Up 8-5, all Apopka had to do was play defense, but the momentum had shifted. The Patriots pulled to within 8-6 on a one-out single, which was followed by a sacrifice fly. Clinging to a one-run lead, Apopka had just one out to go.
It was Lake Brantley's Kayla Morris who stepped to the plate — the Patriots' leading home run hitter who had already laced one over the fence. The Patriots had a runner on second and were facing two outs. Morris smacked the first pitch she saw hard, but it sailed foul. The second was a near-perfectly hit ball flying dead center way over the wall for a two-run, walk-off home run to win the game.
"When you lose, you reflect upon what you did and

should've done," MacWithey said after the loss. "And it was telling because I asked each player what they thought about the game and what they could have done better. And each one of them seemed pretty reflective. And guess what? One of them says, 'Well, what do you think you should've done differently?' I looked her in the face and said, 'I should have walked that number six hitter when I had first base open and had two outs. That's what I should have done.'
MacWithey said that he should've just walked Morris, especially since she is the team's leading home run hitter and had already hit one earlier in the game. He said he was too busy thinking and not acting.
"But I was thinking about it instead of doing it," MacWithey said. "And at some point, you got to just go do it. One more try. That's our mentality now. Know what you're going to do. Trust your

instincts and go do it."
The Patriots snatched the district title from the Blue Darters, but Apopka might have a chance for revenge in the state championship tournament, which will include both Apopka and Lake Brantley.
Apopka struggled in the loss on the field and on the mound. They had a less-than-spectacular day in the field, collecting four errors, which led to three unearned runs scored on Bartkin.
Aeschilman gave up two

earned runs on two hits in one inning of work. Millspaugh surrendered four earned runs on two hits and two walks.
MacWithey told me that he wrote one thing on the board this week for his team to remember. It's something he heard from a keynote speaker at a commencement ceremony for one of his engineering students. He said it stuck with him heading into the state tournament.
"Failure is not the end unless you accept it."

runs this year in 26 games, an average of 11.19 runs per game. The Stingrays have scored 184 runs this year in 27 games, an average of 6.81 runs per game.
The most important thing in this matchup for the Blue Darters will not be their ability to score more than the Stingrays — but their ability to hold the Stingrays at bay.
Head coach Mike MacWithey said the defensive errors and miscues have been the bane of their season. He highlighted that a handful of errors have been involved in all five of the team's losses this year, including Eustis (14-10), Lake Brantley (5-1, 9-8), Deltona (5-4) and Horizon (7-5).
These errors are uncharacteristic for the Blue Darters this season, as they have a .930 fielding percentage. In their losses, Apopka has stacked up 17 of its 47 total errors this season.
That is 36.17% of its errors in just 19.23% of its

games. Apopka averages 1.8 errors a game, but in its losses, it is averaging 3.4.
Apopka gave up four errors in its most recent loss to Lake Brantley in the district championship, leading to three unearned runs. MacWithey said some of those errors were a result of being distracted by outside forces while on the field. He said drilling on defense has been a focus for the Blue Darters this week.
In the game against the Patriots, the Lake Brantley dug-out was loud and proud while Patriots were at the plate. Not only that, but their stands were chirping the Apopka players, too. The Blue Darters let it get to them.
MacWithey said that one of the biggest things he talked about with the girls was why teams are loud while they are on offense. He said they didn't really understand it until he explained it.
"Teams are going to be noisy when they're on offense," MacWithey said.

"But, if they're on offense, where are we? We're on defense. So, the problem is not that their team out-cheers or out-noises you. The problem is you let the noise they produce get into your head, and then we fail to do the right things defensively."
MacWithey said he believes self-inflicted wounds could be the biggest obstacle against Atlantic Coast.
"You look at the stats from Atlantic Coast, and I think we match up well and that we should be better than them," MacWithey said. "But again, you can't make miscues. You go back through time, the game against Eustis, we beat them soundly, but we made errors to give up a big inning. In the Lake Brantley game, both of them, we had four errors and gave up fewer earned runs than we earned. So we should have won those games."
Another big thing MacWithey focused on this week in practice was pitching. In the

Taylor Smith went 1-for-3 at the plate putting up two runs, three RBIs and a home run.

loss to Lake Brantley, Apopka was up 8-1 headed into the bottom of the fifth inning. In the bottom of the fifth, MacWithey sent in Mia Aeschilman to relieve the starting pitcher, Sydney Bartkin.
Aeschilman gave up two earned runs in an inning. In the bottom of the sixth, MacWithey sent in Ava Millspaugh to relieve Aeschilman, but Millspaugh let up four earned runs in two innings. After those three innings, Apopka trailed 9-8.
MacWithey said it is imperative that the pitching staff

learn how to protect the lead when they are ahead late in the game. Heading into the bottom of the sixth, Apopka was still up, but only by five after Brantley's two-run inning in the bottom of the fifth.
MacWithey had a serious conversation with his pitchers. "Understand that we're managing the game here," MacWithey said. "We're ahead by five, and we only need six outs. What does that mean? I told them what that means. It means we don't want to walk people or put anyone on base for free. What I

think they sometimes hear is, 'Well, I'm going to throw batting practice down the middle of the plate.' And, you know, that's what we did."
This week, the Apopka pitching staff will focus on pitching low and in the zone while not falling behind in the count. MacWithey told his pitchers that he doesn't always need an edge strike.
What he does need is for them to keep the ball below the batter's waist. That way, even if they hit it hard, they most likely won't send it over the fence.

rors killed us again.”

Mistakes and miscues gave the Wolves half of their points, while Apopka had to earn theirs the hard way.

“You cannot play a team of that caliber and create that many errors,” Mater said. “You might get away with one or two, but you can’t have one guy serving the ball, and five times it hits the net or goes out of bounds. You can’t do it.”

Mater said that as good a team as the Wolves are, he thinks with minimal errors, the Blue Darters would have taken at least one of those sets, which might have changed the momentum of the entire match.

They had a chance in sets two and three to surprise the Wolves, but errors and a lack of focus scuttled those chances.

In set two, Apopka was up 9-5, and after a Timber Creek timeout, the Wolves went on a 5-1 run to tie the game at 10-10 after a handful of Apopka mistakes.

In the third set, it was neck and neck, with each team scoring each possession. The set saw nine lead changes.

Late in set three, in a win-or-go-home situation, Apopka was up 17-15, but within minutes, they were

behind 22-20.

Mater said the team didn't look as confident in themselves as they did in the district tournament.

Apopka had already faced two programs, Windermere and West Orange, that were way above their caliber and dominated in the district tournament.

But when they were up against the Wolves, they didn't seem as assertive in their play style as they did in the district tournament.

“I think we should have stayed focused better,” Mater said. “I think we should

have come together a lot better. We should have cheered each other on a little bit more and not beat ourselves up on the court.”

Mater said he also saw a lot of bad body language and energy from his team on the court, which he hadn't seen all season.

“You can see a lot of frustration between each other,” Mater said. “We didn't do that last week when we were down. We were five down, six down last week, and we were okay. We never turned on each other. We didn't do what we did to-

night. We didn't lean on each other's backs.”

After the sting of the loss subsided, Mater said he is excited for the off-season and preparing for next year.

After this year and the trials and tribulations the team went through trying to rebuild a program from scratch, he said he believes he and assistant coach Sarah Egbers will be right back in the same spot next season — fighting for a state title.

“We needed a couple of balls to go our way, and they didn't,” Mater said. “It's been fun. It's been a great

thing going for them. They dropped passes, ran the wrong routes, and Apopka's quarterback, Jhenelle Francis, who has been performing at an elite level, just wasn't her normal self in the run or pass game.

“[Francis's] decision-making was kind of slow,” Wilson said. “She wouldn't decide to run. It was like the principles of being disciplined weren't there for us.”

Apopka gave up another touchdown before the game ended, falling 19-6. Even though their postseason run came to an end, the team has much to celebrate this season. They are regional runners-up, district champions

and finished the season 15-2, ranked 22nd in the state and the nation.

Wilson told me that the loss was brutal for the team, especially her 14 seniors, but she reminded them to celebrate the season's wins and accomplishments and not to focus on one loss.

“But I had to tell them, ‘This isn't the outcome that we wanted,’” Wilson said. “And I know seniors, you're sad, and you wanted to win regionals, but you have to celebrate the wins that you had along the way. You ended up being 15-2, and you were a district champ. You met your goal. Winning regionals would have been the

icing on the cake. Still, you are regional runners-up, so we have to celebrate what you were able to accomplish.”

Wilson says the mentality now is just preparing for next season and bouncing back even better in 2026. With 14 seniors graduating, this team will have a lot of slots to fill, but Wilson said she has plenty of talent willing and able to step up.

Her message for her underclassmen was slightly different than that for the seniors after the loss.

“I hope you let this taste linger in your mouth and give you a drive for next season on where you want to go,” Wil-

son said. “Because the goal post has moved from winning districts, because you've accomplished that, to now winning regionals. You've now played in that game, and you know what it feels like.”

Wilson said the goal now is to make it to the final four by winning a regional championship. She is going about it the same way she tells her players to go about their goals, whether on the field or in life: Wilson says to her players: Take it one step at a time, one play at a time, one day at a time. It's all about incremental steps to victory.

Wilson said the work for next season starts now. She has freshmen and soph-

omores who didn't get many minutes but were very capable, and she is excited to see them next season. Between tournaments, off-season club, and AAU, she said her team will come back ready and with a fight in them to go all the way.

“So I'm feeling pretty strong about them coming back next season, and they're

all excited,” Wilson said. “A lot of them will be playing AAU in the off-season. We've been invited to a couple of tournaments, so I got to check in with their schedule to see how it aligns. But we'll definitely be getting with them and playing some fall flag as well as some stuff over the summer.”
