

The Apopka Chief, June 7, 2024, 1C

Presenting the Class of

2024

Dear Class of 2024,

Graduates, after today you become a member of the Apopka High School Alumni. This title carries responsibility and tradition to continue as you represent the Blue Darters. As you move forward in life, remember to represent AHS' four words on our crest. Truth, Honor, Loyalty, and PRIDE. You should be Proud of your accomplishments during your time here at Apopka High School. As a class, you have earned \$5.1 million in scholarship money, 17 of you have already earned an associate's degree, seven of you are going on to top 20 universities, and 10 of you have enlisted to serve in our country's Military. This is just a short list of the class of 2024 accomplishments. You have performed in and out of the classroom to serve the school and community to leave a positive impact.

Throughout this graduation season I have heard many of you talk about how you all started high school under strange circumstances. This brought me to a quote by C.S. Lewis: "You can't go back and start from the beginning, but you can start where you are and change the ending." Class of 2024, you did just that. You overcame the difficulties of the start of high school and changed the ending. You got involved, you started clubs, you performed in gyms, stadiums, fields, on the stage, and in the courtyard. You didn't try to go back but rather grabbed the present and created a positive future. You are graduating today. This is the ending of the high school experience. So, now it is time to start where you are again. Some of you are off to the military, ivy league schools, colleges and universities, technical school, or joining the work force. All of you have a plan that starts today. This is where you are. This is the time to start and if you do not like where you think it will end, then start again and rewrite your ending. I will leave you with a little of my story. I started my college career to be a stockbroker, didn't like where that life would have led me, so I changed my ending to college. That change has led me here today, congratulating you on your graduation as the Proud Principal of the best High School in the land. Apopka High School!

Love,
Lyle Heinz
Principal, Apopka High School

Mr. Lyle Heinz
Principal
Apopka High School

Mustang Class of 2024,

You have made my first year as a high school principal truly special. Your support and commitment speak volumes about your character, and your potential to make meaningful changes in this world. You have faced significant challenges. You are the last group of high school students whose years were disrupted by COVID-19. If you survived that, you will be able to adapt to whatever life throws your way and emerge stronger from it.

During your time at Wekiva High School, you have excelled in many areas, 11 AP Scholars, 19 scholars graduating with an AICE Diploma and the Top 5% graduating with a GPA range of 4.6 – 5.4. We have graduates who were accepted to Harvard, Emory, University of Florida, Florida State University and the University of Central Florida. Furthermore, you have earned 5.5 million dollars in scholarships.

Our co-curricular programs brought home awards in FFA, Debate and Culinary, our Performing Arts students received superior ratings in band, chorus and orchestra. Our girls' basketball team were the regional champions, our Special Olympics Basketball team won 1st place, and your class has the first and only student in the history of the school to receive a full flag football scholarship, and 20 student athletes received offers to play at the next level in college.

Class of 2024, it has been a great 4 years, but it wasn't always easy. There were times of great joy and times of unbearable sadness like when you had to learn to adapt to not having your cell phones and headphones, but through it all you persevered. I have learned so much from all of you about life struggles, adaptability, and being the best you that you can be. I hope you continue to be unique and strive to do better than those who came before you.

As you look back on your time at Wekiva High School, I hope you remember it fondly and remember our motto, We are strong, We are great, We are Mustangs, We are ONE.

Congratulations, Class of 2024.

Dr. Kenisha Williams,
Principal Wekiva High School
